The South Dakota Board of Nursing (“Board”) met in Sioux Falls, South Dakota, for its regular meeting on February 17, 2017. At that meeting the Board was advised of a complaint alleging two reported events of swearing at residents that were entrusted to your care, and your failure to contact the Board during business hours to discuss the complaint.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of its policy as well as SDCL § 36-9-49(10) in that you engaged in unprofessional conduct.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required.
